City of Huntington Beach
2000 Main Street
Huntington Beach, CA 92648

Reference: Address: _____
Application number: _____

To Whom It May Concern,

I, (please print) _____ hold the City of Huntington Beach harmless for any fees or costs incurred for processing of plans through the City in the event that the application requires modifications to the plans as recommended by staff, is denied or conditions of approval require revision to the plans. I understand that any changes to the plans may require a new submittal with new fees and the forfeit of the original submittal plan review fees. Minor revisions, architectural in nature, may be accepted with additional fees paid for additional plan review, if determined necessary by the Director of Planning and Building.

I also understand that plan review for zoning compliance will commence following completion of the application process.
