**ORDINANCE NO. 4034
Adopted by the City Council on DECEMBER 15, 2014**

“AN ORDINANCE OF THE CITY OF HUNTINGTON BEACH AMENDING THE HUNTINGTON BEACH MUNICIPAL CODE BY AMENDING SECTION 3.44.120 THEREOF REGARDING OIL PIPELINE INSURANCE FILING”

SYNOPSIS:

A number of oil pipeline franchisees within the City have initiated the process to renew their expiring oil pipeline franchise agreements. Franchisees have requested the City’s approval to file “self-insurance” coverage under renewed oil franchise agreements, which can be issued as a certificate of “self insurance” by the franchisee. However, Section 3.44.120 of the existing Municipal Code only allows the filing of a certificate of “insurance” coverage, which is issued by a third party insurance provider instead of the franchisee.

Ordinance 4034 amends Section 3.44.120 of the Municipal Code and includes a provision that would permit a franchisee to file either a certificate of insurance or certificate of self-insurance for City review and approval prior to commencing franchise operations.

The self insurance requirements match the “insurance” requirements and the franchisee would need to provide adequate information to the City’s Risk Management Department for approval. Staff anticipates that this ordinance amendment will facilitate the review and approval process for upcoming franchise agreement renewals that may be subject to self-insurance coverage.
