

Notice of Intention to Circulate Petition

Notice is hereby given by the person whose name appear hereon of their intention to circulate the petition within the City of Huntington Beach for the purpose of repeal of municipal code Chapter 5.95 USE OF PLASTIC CARRYOUT BAGS AND RECYCLABLE PAPER

A statement of the reasons of the proposed action as contemplated in the petition is as follows:

By a Vote of 4-3 the City Council of Huntington Beach decreed that grocery stores (and other institutions) in the city of Huntington Beach were to discontinue use of plastic grocery bags and to mandate a 10 cent charge on every paper bag used in lieu of plastic bags.

It is the contention of this petitioner that a municipal code item that not only mandates the actions of a large portion of the commercial business of this city and enforces a defacto tax on the customers of that business should be approved by the legal voters of this city, not by decree of a bare majority of the city council. Since the city council denied the legal voters of this city the opportunity to vote "for" or "against" this ban, it is then incumbent, in this petitioner's eyes, to provide the legal voting citizens of this city the opportunity to be heard on this matter.

Notice is also hereby given of my request for preparation, by the City Attorney, of the proposed ballot measure's circulating title, and summary of the chief purpose and points of the initiative measure.
