# What we saw in 2007

# HOMELESSNESS IN ORANGE COUNTY: IT'S NOT WHAT YOU THINK

**MINORITY**

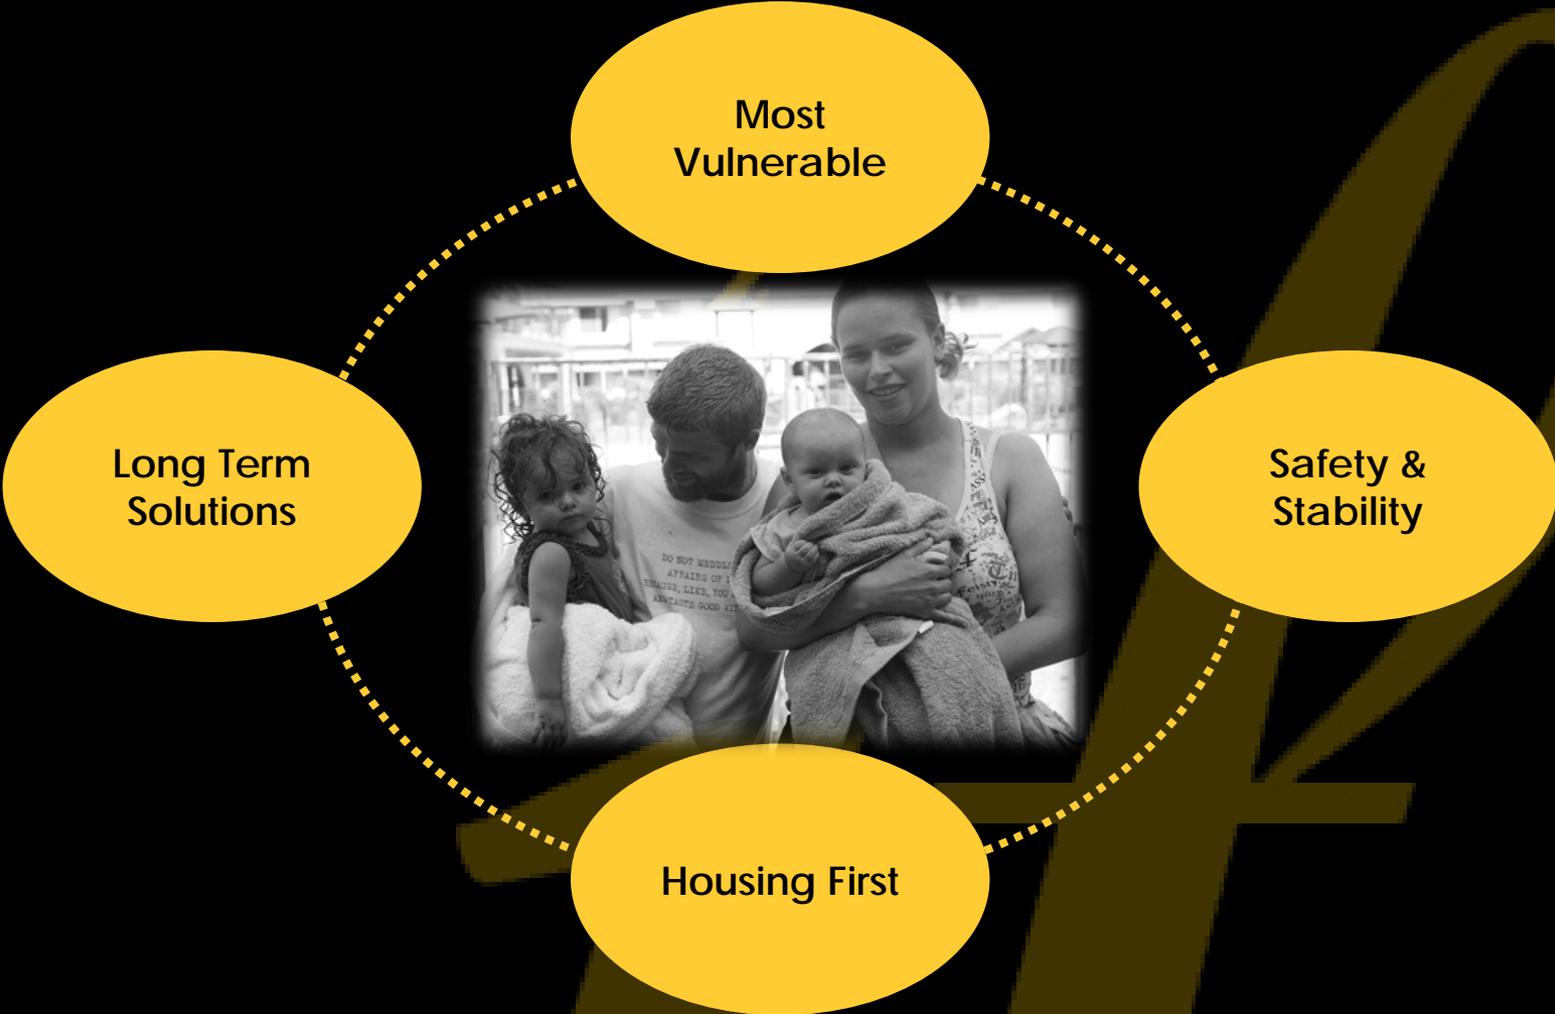

**MAJORITY**

# HOW BAD IS IT?

- 1 in 6 OC children are living in poverty
- 32,000 OC public school students live in unstable housing
- Nearly half of all adults below the poverty line are employed full- or part-time
- A minimum wage worker has to work 136 hrs/week to afford a 1-bedroom apartment in OC

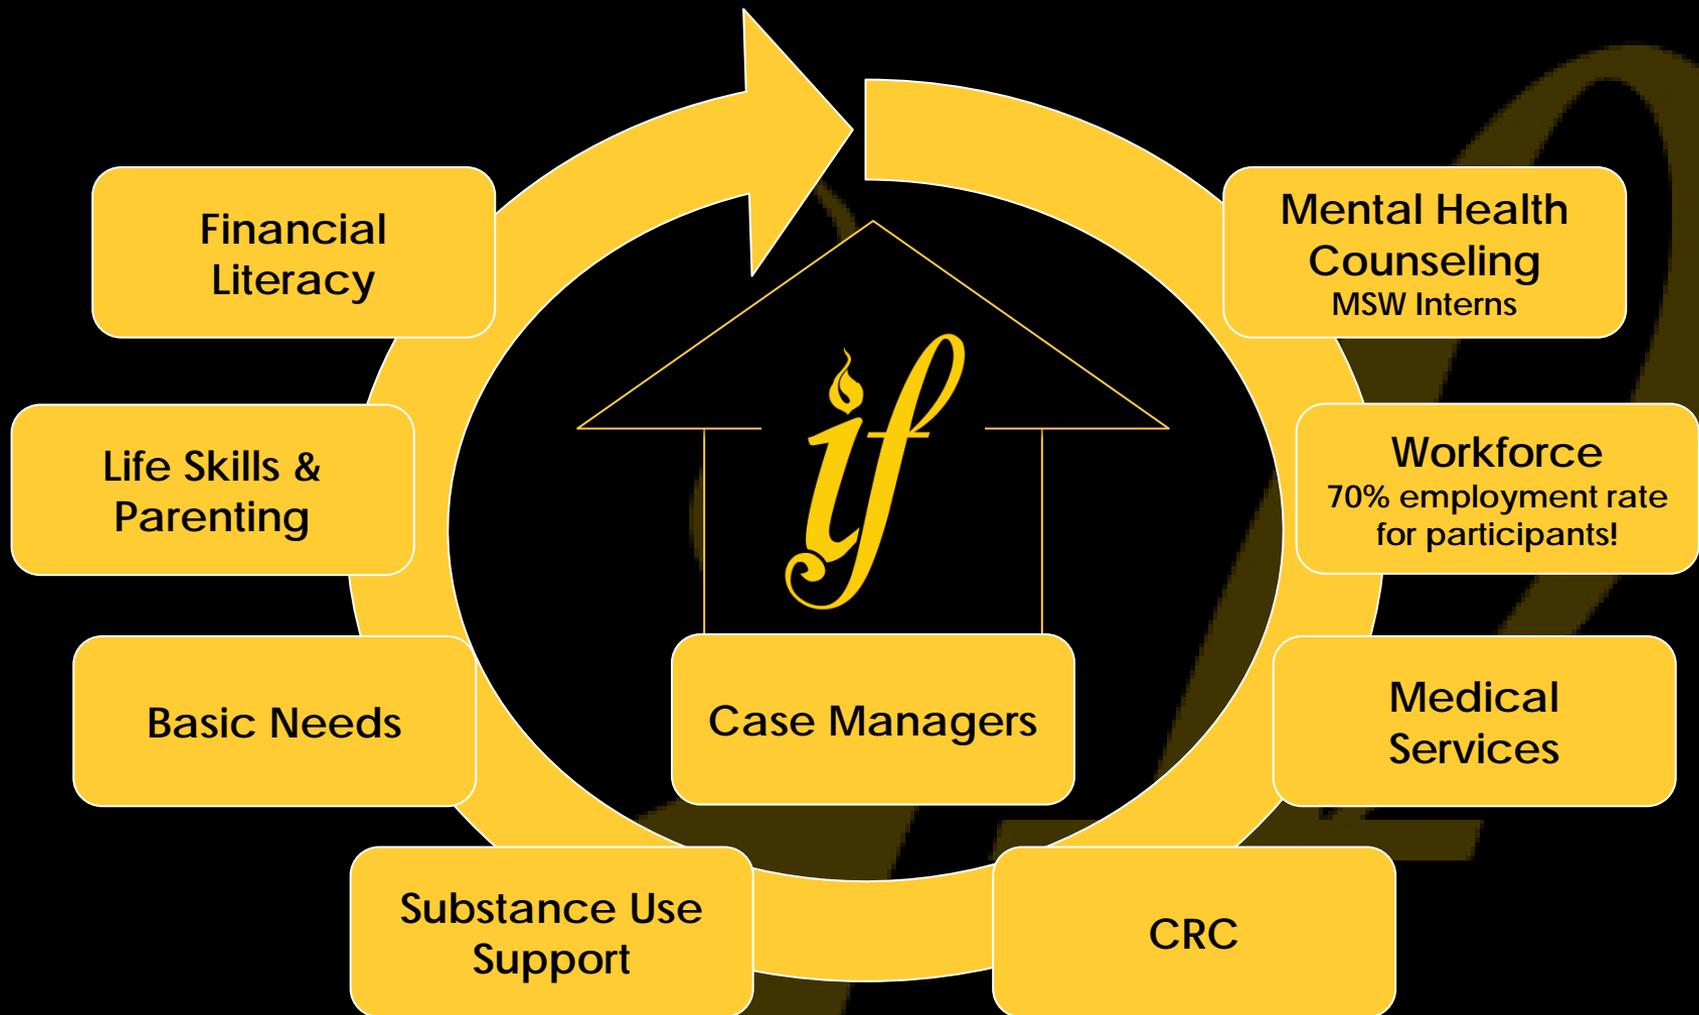

# OUR GOAL

# HOUSING FIRST

Housing First is an approach to ending homelessness that centers on providing people experiencing homelessness with housing as quickly as possible – and then providing services as needed. This approach has the benefit of being consistent with what most people experiencing homelessness want and seek help to achieve.
