FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Planning Commission finds that the project will not have any significant effect on the environment and is Categorically Exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Section 15301, Class 1—*Existing Facilities*, which states operation and minor alteration to existing structures are exempt from further review under CEQA.

FINDINGS FOR APPROVAL - CONDITIONAL USE PERMIT NO. 12-07:

1. Conditional Use Permit No. 12-007 for the establishment, maintenance and operation of an approximately 900 sq. ft. tattoo studio in an existing vacant tenant suite will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the neighborhood. The project will be within a vacant suite of an existing multi-tenant commercial shopping center in an area comprised of similar and complimentary commercial uses to the proposed tattoo studio. In addition, based upon the conditions imposed, the tattoo establishment will comply with Huntington Beach Municipal Code Chapter 8.72, which establishes criteria, standards, and

regulations to ensure safe and sterile tattoo operations for the health of both clients and operators of the tattoo business.

2. The conditional use permit will be compatible with surrounding uses because the tattoo business will be conducted wholly within the interior of an existing unit within an established district containing similar commercial uses. The tattoo business is not anticipated to create undue noise and adequate on-site parking is provided.
3. The proposed tattoo establishment will comply with the provisions of the base district and other applicable provisions in Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance. In addition, the business will comply with all standards and regulations of any State, County, and local laws, in particular, Huntington Beach Municipal Code Chapter 8.72, *Tattoo, Body Piercing and Permanent Cosmetics Regulations*, and any applicable standards of County of Orange Health Care Agency, Environmental Health.
4. The granting of the conditional use permit will not adversely affect the General Plan. It is consistent with the Land Use Element designation of Commercial General on the subject property. In addition, it is consistent with the following objectives and policies of the General Plan:

A. Land Use Element

Objective 10.1: Provide for the continuation of existing and the development of a diversity of retail and service commercial uses that are oriented to the needs of local residents, serve the surrounding region, serve visitors to the City, and capitalize on Huntington Beach's recreational resources.

Policy 10.1.11: Promote the introduction of a diversity of uses in Commercial General centers, particularly those containing anchor grocery stores that improve their relationship with surrounding residential neighborhoods and increasing their viability as places of community activity.

The proposed project will offer a new use to an existing multi-tenant commercial shopping center that will provide a wide arrange and diversity of commercial uses and cater to the needs of local residents and residents in the surrounding region. The project will provide a unique commercial use that will encourage tourism to the site and the surrounding area. In addition, the proposed project meets all applicable zoning codes and development standards and improves the long-term viability of the property by expanding the current tenant base in the center.

B. Economic Development Element

Policy 2.4.3: Encourage the expansion of the range of goods and services provided in Huntington Beach to accommodate the needs of all residents in Huntington Beach and the market area.

The project is located along a highly focal corridor of the City which contains existing restaurants, retail, and personal service uses. The proposed use serves to expand a diversity of uses along Warner Avenue and introduces a unique service to residents in the surrounding area and visitors to Huntington Beach.
