**AUGUST DONATION UPDATE**

The Huntington Beach Neighborhood Watch Program (HBNW) **fiscal year** is from July 1 to June 30 each year. We have estimated we will need approximately \$24,300 this year to cover the various HBNW program expenses (and not use all of our reserve) which include, but are not limited to, newsletter assembly, distribution costs, returned postage, mailing labels, dots, etc. For our 2014/2015 fiscal year we were \$7,309.60 below our goal. The HBNW Board thanks you and our advertisers for your continuous support and generous donations during these difficult times. To help cut down on some of our expenses, we ask that if you are considering receiving the newsletter electronically, please send an e-mail to [nberndt@hbpd.org](mailto:nberndt@hbpd.org) with your name and address as it appears on your mailing label and request you be deleted from the U.S. mail list and added to our electronic mailing list. You will continue to receive the newsletter around the 2<sup>nd</sup> Thursday of each month. If this will cause a hardship, or you just prefer a hard copy, by all means we will continue to mail it to you. The newsletter contains lots of valuable information in addition to the monthly crime statistics and announcements about Police/Community events as well as ways to deter crime.

From the start of our fiscal year until now, we have received **\$2,832.00 in donations and newsletter advertisements— we have \$20,421.00 to go by June 30, 2016.** An \$8 donation pays for each subscriber's distribution costs; a \$10 donation helps with these costs and other needed expenses and puts your name in the Newsletter as a contributor; and a \$25 or more donation accomplishes the above, plus you will receive a HBNW sticker and a token of appreciation. Remember, HBNW is a non-profit organization; **donations are tax deductible.**

We would enjoy hearing any ideas or suggestions you may have; please call 714-536-5933.

**Back to School**  
**Safety Tips & Rules**

- 1. If your child will be walking or riding their bike to school, parents should do some trial runs with them. Show them the safest route and places to avoid. Also point out safe places to go if they need help. Walking or riding with a friend is always safest.**
- 2. Stay with a group while waiting at the bus stop. If anyone bothers you while going to or from school, get away from that person, and tell a trusted adult like your parents or teacher. If an adult approaches you for help or directions, remember grownups needing help should not ask children for help: They should ask other adults.**
- 3. If anyone you don't know or feel comfortable with offers you a ride, say NO, get away from them and tell another trusted adult. Only accept a ride from someone if your parents have told you it is OK.**
- 4. If someone follows you on foot, get away from him or her as quickly as you can. If someone follows you in a car, turn around and go in the other direction. Always be sure to TELL your parents or a trusted adult what happened.**
- 5. Never leave school with someone you don't feel comfortable with or know. Always check with your parents, teacher, or another trusted adult. If someone you don't know or feel comfortable with tells you that there is an emergency and they want you to go with them always check first before you do anything. Make sure you tell a trusted adult if you notice someone you don't know hanging around.**
- 6. Don't write your name on clothing or other items that you take to school. If someone you don't know calls out your name, don't be fooled or confused, but tell a trusted adult.**

## **Back to School: Safety Tips & Rules**

*(continued from page 1)*

- 7. If you want to change your plans after school, always check with your parents. Never play in parks, malls, or video arcades by yourself. Make sure that you always play with other children, have your parents' permission to play in specific areas, and always let your parents know where you are going to be. Never accept money or gifts from anyone until you check first with your parents.**
- 8. If you go home alone after school, check to see that everything is okay before you go in. Once inside lock all the doors and windows and call your parents to let them know that you are okay. Be sure to follow your "Home Alone" rules of keeping the door locked; not opening the door for or talking to anyone who stops by unless the person is a trusted family member or friend, that you feel comfortable being alone with and the visit is preapproved. Call a parent and let them know your guest has arrived. Be sure to have the phone number of a neighbor or trusted adult that you can call if you're scared or there's an emergency.**
- 9. Trust your feeling. If someone makes you feel scared or uncomfortable, get away as fast as you can and tell a trusted adult what happened. You deserve to feel safe, and there will always be someone who can help.**
