### **Details:**

On Saturday, May 14th, 2016, at 1203 a.m., the Huntington Beach Police Department responded to the area of Warner Avenue and Algonquin Street regarding a traffic collision involving a motorcycle.

Arriving officers located a deceased male, a 25 year old Huntington Beach resident, and a black 2003 Harley Davidson motorcycle off of the roadway in nearby shrubbery.

Based on the preliminary investigation and witness' statements, it appears the male was traveling west on Warner Avenue at a high rate of speed and was not wearing a helmet. The investigation is ongoing and is being conducted by the HBPD Major Incident Reconstruction Team (M.I.R.T). No citations have been issued and no arrests have been made at this time. At this point it is unknown if alcohol was a factor.
