PRESS RELEASE

Release Date: June 13, 2015 Time: 11:45 p.m. Prepared by: Officer J. Marlatt

Type of Incident: Fatal Traffic Collision

Location: Pacific Coast Hwy and Ecology Way (Center Signal)

Date/Time of Occurrence: June 13, 2015 at 8:47 PM **Case Number:** 15-008579

Details:

On June 13, 2015 at approximately 8:47 PM, officers were driving on Pacific Coast Highway (PCH) at Ecology Way (Center Signal) when they came upon an unresponsive female in the roadway who had been struck by a vehicle. The female was not breathing and HBPD officers immediately performed CPR until medical attention arrived. Huntington Beach Fire Department Paramedics responded and transported the female to Long Beach Memorial Hospital in critical condition. The female, a 15 year old resident of Long Beach, later succumbed to her injuries at the hospital. The girls' mother was notified and responded to the hospital.

The vehicle involved was a red 2014 Chevy Camaro. The driver, a 62 year old male from Huntington Beach, remained at the scene and was interviewed by officers before being released.

Based on the preliminary investigation, it appears the red Camaro was traveling northbound on PCH when it collided with the female pedestrian who was in the roadway.

The investigation is ongoing and is being conducted by the HBPD Major Incident Reconstruction Team (M.I.R.T). No citations have been issued and no arrests have been made at this time. Investigators would like to speak to anyone who might have seen the events leading up to and including the collision.

Anyone with information about this collision is asked to contact Huntington Beach Police Accident Investigator Robert Barr at 714-536-5666 or Accident Investigator Josh Page at 714-536-5670. During non-business hours or on weekends, calls should be directed to 714-960-8825.
