Case Number: 14-018070

Details:

On December 8, 2014, at approximately 1:43 p.m., officers responded to a call of a female juvenile found wandering on Gilbert Island in the area of Admiralty Drive and P.C.H. in Huntington Beach. She appears to be a white female, 12-17 years old, 5'1, 130 lbs, with long black hair, brown eyes. At the time we located her, she was wearing a navy blue dress, black Nike flip-flop sandals and a pink headband. The juvenile appears to be special needs and non-verbal.

Officers went door to door in the neighborhood and spoke with residents, but were unable to locate anyone who recognized her. Public bus transportation and neighboring police agencies were contacted, but we did not have any success in getting her identified. We are looking for family members or anyone who recognizes her or has information to call police dispatch at 714-960-8825.
