Subject: Shop with a Cop

Case Number:

### Details:

On Wednesday, December 14th from 6:30 am to 10 am, the Huntington Beach Police Department will be hosting our 2nd annual Shop with a Cop. We are partnering with a member of the community, Huntington Beach Police Officers Association, the Huntington Beach Police and Community Foundation, and many businesses in Huntington Beach. The Ocean View, Huntington Beach City, and Westminster City School Districts are all participating with the Police Department by nominating a student from each school. The schools are looking for a hard-working student whose family is in need, has fallen on hard times or does not have a lot at home.

Each Officer will have breakfast with a student at Woody's Diner. The officers and students will then ride a bus together to Target to do some shopping. During their shopping experience, the students get to decorate cookies and meet Santa. Programs like Shop with a Cop foster stronger relationships with the community and the youth, which Huntington Beach PD is proud to be a part of.

The events take place at the listed times and locations below.

- 7 AM Arrive at Woody's Diner at 10136 Adams Ave, Huntington Beach (Brookhurst/Adams). Each student will be paired up with an officer to eat breakfast.
- 7:45 AM Officers and Students will ride a school bus from Woody's to Target, 9882 Adams to "Shop with a Cop." Officers and students will shop inside Target.
- 8:45 AM Volunteers will be wrapping the gifts for the students while the students are decorating cookies.
- 9:00 AM Special guest arrives for students
- 9:30 AM "Shop with a Cop" ends. Students get picked up by parents and go back to school.
