Huntington Beach Police to Conduct Sobriety Checkpoint

In our ongoing effort to keep the streets safe, the Huntington Beach Police Department will be conducting a DUI checkpoint on Saturday night, January 15, 2011, at 9:00 pm.

The goal of the Huntington Beach Police Department is to prevent serious injury and fatal collisions by arresting DUI drivers before they have the chance to cause a tragedy. Impaired driving puts everyone on the road in danger, and we are doing everything we can to ensure that motorists enjoy a safe, crash-free New Year.

Funding for this program was provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration. The Huntington Beach Police Department is working in partnership with OTS to educate the community on traffic safety issues as well as helping to prevent DUI related traffic incidents.
