

Huntington Beach Police Department

PRESS RELEASE

On Tuesday August 15, 2006 at 1:40 am, officers from the Huntington Beach Police Department responded to the Hotel Huntington Beach (7667 Center) regarding a call of a stabbing that had occurred. Officers located a male 20's in one of the rooms suffering from a stab wound. He was transported to UCI Hospital by Huntington Beach Fire Department Paramedics where he died later in surgery. Identification of the deceased is not being released until notification can be made to the family.

At this point the investigation is continuing and the circumstances surrounding the incident is still being pieced together. At this time there is no suspect information available.
