CITY OF HUNTINGTON BEACH

Week of June 27, 2016

112th Annual 4th of July Celebration!

The 112th Annual Huntington Beach 4th of July Celebration begins Saturday, July 2, with many fun, family-oriented events.

Activities on the 4th of July start at 6 a.m., with the Surf City 5K Run and Fitness Expo at Worthy Park and the Huntington Beach Kiwanis Pancake Breakfast in Lake Park. Beginning at 10 a.m., the Parade will wind its way along the historic Main Street parade route. Marching bands, floats, military troops, community groups, dignitaries, clowns, equestrians, and celebrities make up more than 250 parade entries that will entertain parade-goers until just past noon. After the parade ends, everyone is invited to enjoy the Pier Festival with vendors and entertainment at Pier Plaza. At 9 p.m., a spectacular fireworks show will be launched off the Pier.

For additional information, please go to www.hb4thofjuly.org.

PUBLIC WORKS DEPARTMENT

Independence Day Holiday Affects Street Sweeping and Trash Collection

Due to the observance of Independence Day on Monday, July 4, trash collection and street sweeping will be on holiday schedule. Trash will not be collected on Monday, July 4. All residents should place trash for collection on the day after their regular route day. For example, residents on Monday's route should place their trash for collection on Tuesday, Tuesday's route on Wednesday, and so on for the entire week. Friday's route will be collected on Saturday. The regular collection schedule resumes on Monday, July 11.

There will be no street sweeping on Monday, July 4 through Friday, July 8. Due to the holiday trash collection schedule, trash carts are at the curb one day later than usual, which conflicts with scheduled sweeping days in many neighborhoods. Residents should place trash carts at the curb per the holiday schedule. Streets that are not swept due to the holiday are not rescheduled. If you have questions about the holiday maintenance schedule, please contact the Public Works Maintenance Division at 714-960-8861.

COMMUNITY SERVICES DEPARTMENT

What a historic occasion! On Saturday evening, July 9, the City of Huntington Beach, together with residents and supporters of the new Senior Center in Central Park will celebrate the GRAND OPENING with *“The GALA – Celebrating a Dream Come True.”* The opening of this beautiful facility is a once in a lifetime event, and Gala attendees will be invited for a sneak peek tour before the official ribbon cutting event at NOON on Sunday, July 10. This new Senior Center will be instrumental in the development of new programs and services dedicated to the aging population of Huntington Beach.

It is through the fierce dedication and perseverance of many of the city's founders along with the Huntington Beach Council on Aging that the idea of a Senior Center in Central Park has become a reality. The new building measures nearly 38,000 square feet and is dedicated to serving the growing number of older adults in Huntington Beach. Featuring a state of the art design, the center boasts a large fitness and training center designed for the active aging population along with a dance studio, classrooms, a computer center and lounge. A beautiful community room featuring views of Central Park will play host to the GALA event, as well as a variety of activities including the daily lunch program, senior dances, and special occasions of all kinds. The GALA event is sold out...but we invite you to attend the official ribbon cutting at NOON on Sunday, July 10. The new Senior Center in Central Park will be open for tours and volunteers will be available to answer your questions until 3 p.m.

If you or your business would like to create a legacy for yourself, your family, or a loved one by becoming a naming or visionary sponsor, donations are welcome. Donated funds will be used to enhance and develop new programs and services dedicated to the aging population of Huntington Beach. For information on the GALA, Ribbon Cutting, or how to become a visionary sponsor, contact Randy Pesqueira at rpesqueira@surfcity-hb.org

Mad Science Summer Camps Have a cooler summer – just add science!

What is “Mad Science?”

Searching for a program to keep your child challenged and engaged in meaningful ways while having fun this summer? Look no further! Through courses designed to help children apply the principles of mathematics and science to the real world, Mad Science is the perfect solution for keeping your child's mind active during the summer months.

Mad Science camps offer a daily combination of in-class discovery and exploration, outdoor games and physical activities, and hands-on applications of scientific principles. Each camp runs for one week and explores different areas of how science and math interact to bring us new technologies, understandings, and inquiries into the world around us. Many of these courses involve designing a take-home project or set of projects to remind campers of how much fun it can be to learn.

Registration for Mad Science courses is open now online at HBsands.org. Enroll today to secure your spot in this summer's adventures into the realm of chemistry, astronomy, robotics, and more!

Below are the camps offered by Mad Science during Summer 2016:

- ◆ Mad Science: Crazy Chemworks
- ◆ Mad Science: Galaxy Defenders
- ◆ Mad Science: NASA Jr. Astronauts
- ◆ Little Scientist: Pre-school Lab
- ◆ Mad Science: Robots 101
- ◆ Mad Science: Science in Action
- ◆ Mad Science: Secret Agent Lab

CITY MANAGER'S OFFICE

Get Property Tax Relief Using the Mills Act!

"The California bungalow could well be the most beloved house form in Southern California today...bungalows were designed a hundred years ago as active contributors to the character of some of America's greatest neighborhoods."

A significant part of the quality of life of residential districts in Huntington Beach's historic downtown is the collection of eclectic beach cottages and bungalows on Main Street and the surrounding

streets. Even our downtown police substation is in a historic bungalow. See if your property qualifies for the Mills Act Program and save money on your property taxes.

The purpose of The Mills Act is to encourage the preservation and restoration of historic properties throughout the City by offering financial incentives to property owners who restore and maintain historic commercial and residential properties. Inquire and apply today and help protect and preserve the character of Surf City.

For additional information, please contact the City Manager's Office at (714) 536-5202

LIBRARY SERVICES DEPARTMENT

Free Mindfulness Series at Central Library

Join us at the Central Library as we continue our Stress-less Series with four weeks of mindfulness and meditation. Mindfulness and meditation can help reduce stress, improve sleep, and cultivate a level of awareness to experience each moment in our lives. This series will be taught by Nicole Wakim, MD who is trained in Mindfulness-Based Stress Reduction through UMass Medical Center. The classes will be held Tuesday nights starting July 12, from 6 to 7:30 p.m. and are free and open to all adults - no experience necessary! This is an exciting opportunity to learn and grow at your Library. *Bringing your own yoga mat is encouraged but not required to participate.

Hunger Awareness Week and Food Drive to be held at the Central Library

As part of **Hunger Awareness Week**, the Huntington Beach Central Library will host a food drive for patrons to donate canned goods and non-perishable food items. In addition, there will be brochures and literature from Second Harvest Food Bank and Crown Relocations available that will explain how to help those less fortunate in the local community. This food drive will take place **throughout the week of Monday, June 27 to Saturday, July 2** at the Central Library, located at 7111 Talbert Avenue in Huntington Beach. For more information, please call the library at 714 842-4481.

OFFICE OF BUSINESS DEVELOPMENT

Local Business Awarded State Tax Credits for California Expansion

Pivot Technologies, Inc., parent company of HB-based Applied Computer Solutions (ACS) has been awarded \$300,000 in California Competes Tax Credits (CCTC) in exchange for adding 30 employees total in an expansion of their three Southern California locations, including here in Huntington Beach. The CCTC program was developed in 2013 and is administered by GoBiz, the Governor's Office of Business and Economic Development. Tax credits are awarded on a competitive basis to help businesses grow and stay in California, helping to spur investment and create local jobs whenever possible. Pivot Technologies is the third HB business to receive credits through this program since it began, and the program is expected to continue into 2016-17. Interested businesses can find information on the GoBiz site, including announcements of future funding rounds and opportunities to receive technical assistance in preparing applications. To access this information, visit <http://www.business.ca.gov/Programs/CaliforniaCompetesTaxCredit.aspx>.

Naugles Fans Heading to the Beach for Tacos and Nostalgia

Naugles Tacos & Burgers, the legendary restaurant chain founded in the late 1970s has returned...and with an ocean view. This SoCal legend, with the new moniker of "Naugles by the Beach" is located at 21351 Pacific Coast Highway and is serving up its famous tacos, burritos, bean cups, burgers and nachos from 9 a.m. to 8 p.m. seven days a week.

After a long history of expanding and then being purchased and converted to another franchise, Naugles returned under new ownership, re-creating the original menu, happily satisfying the appetites of longtime fans, as well as creating many new ones. Reviews are starting to pour in, and the public is lining up for a delicious taste of nostalgia. Check out their menu, history and more information on their website at: www.nauglestacos.com.

Fair Housing Certificate Management Training Offered July 7

The Fair Housing Foundation, in partnership with the City of Huntington Beach, will provide free training on July 7 for landlords, property managers, attorneys, realtors, and management companies interested in being certified in Fair Housing practices. The training will cover an overview of State and Fair Housing Laws and Practicing Equal Opportunity. Participants who successfully pass the Fair Housing Training Exam at the end of the session will receive a Certificate showing they participated in the session, which will take place from 1:00 PM to 5:00 PM at the Central Library. The training is free, but space is limited and an RSVP is required in order to participate. For more information and to RSVP, please call (800) 446-FAIR (3247) or visit the Fair Housing Foundation's website at www.fhfca.org.

TEAM RED WHITE AND BLUE

On June 18, a group from HBFD participated in the Team Red White and Blue event in Santa Monica.

This organization puts on surf camps for wounded veterans to experience the thrill of surfing. The HBFA team partnered with a Navy and Army Reserve veteran who suffers from a traumatic brain injury. On a normal day Cindy struggles just to walk, however, for the first time, she was able to stand up and surf a few waves. It was an incredible sight to see the non-stop ear to ear smile she displayed, even when she got pitched over. All the participants were so appreciative of the volunteers out there helping them have a great time.

Special thank you to the surf coaches who volunteered their time and represented Team HBFD!

- ◆ Eric McCoy (Team Captain)
- ◆ Kane Johnson
- ◆ Tim Andre
- ◆ Ian Zakrzewski
- ◆ Zak Wright

The next event will be in our home town of HB and the HBFA is hoping to get a big turnout of surf coaches. The more surf coaches we have, the more veterans get invited out to the Surf Camp.

Resident Thanks HBFD

One morning in May, a resident's heart stopped beating while he was at home with his family. A 911 call was made, and a dispatcher at Metro Net Fire Dispatch gave the patient's 17 year old son step by step instructions in CPR while the paramedics were en route to the home. Once Fire Personnel arrived at the house, they continued CPR while delivering advanced life saving measures to the patient. He responded favorably to the treatment and arrived at the hospital breathing on his own and with a heartbeat. After spending nine days in the hospital, he was able to go home and be with his family once again.

Today, looking much different than when he first met the fire crew, the patient stopped by the Edwards Fire Station with his wife, mother, and one of his four children to say thank you to the Firefighter/Paramedics who helped save his life. The paramedics were quick to point out that his outcome may have been much different had his young son not been so quick to administer CPR.
