Two Upcoming Community Events at the HB Senior Center in Central Park

Tues., June 5 from 6 to 8pm: The Orange County Transportation Authority (OCTA) will host the **I-405 Open House**. Come stop by and learn more about the project, potential impacts and ask questions. See flier on page 17.

Weds., June 13 from 6 to 8:30pm: **Air Traffic Noise Working Group Community Workshop**. Come by and learn more about what the City is doing to mitigate increased air traffic noise. See flier on page 18.

Memorial Day Holiday Affects Street Sweeping and Trash Collection

Due to the observance of Memorial Day on Monday, May 28, trash collection and street sweeping will be on a holiday schedule. All residents should place trash for collection on the day after their regular route day. For example, residents on Monday's route should place their trash for collection on Tuesday, Tuesday's route on Wednesday, and so on for the entire week. Friday's route will be collected on Saturday. The regular collection schedule resumes on Monday, June 4.

There will be no street sweeping Monday, May 28 through Friday, June 1. Due to the holiday trash collection schedule, trash carts are at the curb one day later than usual, which conflicts with scheduled sweeping days in many neighborhoods.

Residents should place trash carts at the curb per the holiday schedule. Streets that are not swept due to the holiday are not rescheduled. If you have questions about the holiday maintenance schedule, please contact the Public Works Maintenance Division at 714-960-8861.

CITY MANAGER

Huntington Beach to Proclaim September 20 as “California Surfing Day” Special Event Friday, June 8 at 11am

What: Introduced by Senator Janet Nguyen, both the Assembly and Senate passed SCR 122 – a resolution proclaiming September 20, 2018 and every year thereafter as “California Surfing Day.” The annual day will celebrate the California surfing lifestyle, as well its history, culture, and future. Adopted by surfers of all ages in the City of Huntington Beach, the purpose is to unify surfers throughout the State of California and from around the world to celebrate one very special day where we collectively honor the California surfing lifestyle “*Stop, Drop, Surf*”.

The United States boasts approximately 3.3 million surfers who spend between \$1.9 and \$3.3 billion each year on local surf trips. The surfing industry, almost exclusively based in California, generates over \$6 billion in United States annual retail sales. California has culturally significant Surfing Museums located in Huntington Beach, Oceanside, Santa Cruz, and San Clemente.

When: **Friday, June 8 at 11am at the International Surfing at 411 Olive in Huntington Beach.** Join Senator Nguyen, Assemblyman Matthew Harper, Mayor Posey, and legendary local surfers to help make the special announcement under the Guinness Book of World Records “Big Board!”

On Sept. 20, “California Surfing Day” will be a special day up and down the California Coast as it will bring together thousands of ocean and beach lovers, surfers, and millions of visitors who travel to California to experience the positive vibes of surfing history, culture, and the future, and all the fun that comes along with the sport. More details will be unveiled as to specific activities held on Sept. 20.

Where: Every year, California beaches host numerous domestic and internationally recognized surfing events and tournaments, including the National Scholastic Surfing Association (NSSA) Championships, the Vans US Open of Surfing, The Surfers’ Hall of Fame, Surfing Walk of Fame, and International Surfboard Builders Hall of Fame in Huntington Beach, Surfboards on Parade, Blessing of the Waves, and the International Surf Festival in the Cities of Hermosa Beach, Manhattan Beach, Redondo Beach, and Torrance.

Who: It’s a natural fit that the City of Huntington Beach announce “California Surfing Day” as the city is also known as Surf City USA. It is home to the International Surfing Museum and is holder of three surfing Guinness World Records: for the largest surfing paddle out in the world “The Surfing Circle of Honor, Celebrating Surfing in the Summer Games” on International Surfing Day 2017, and for the largest surfboard in the world and for the most people riding a surfboard at the same time on International Surfing Day 2015.

International Surfing Museum, Huntington Beach, is a 501c3 non-profit, whose mission is to preserve the history, culture, and future of surfing through strong community bonds in Surf City USA, California, and around the world. We support our next generation “Groms,” in their surfing future as we head towards surfing in the 2020, 2024, 2028 Olympics Summer Games, with focus on our healthy surfing playgrounds, and highlight our iconic legends & pros while supporting our local surfing businesses. **Our Vision** is to become the premier world class surfing museum and tourist destination embodying the Surf City USA spirit of surfing, community, and sustainable beach lifestyles.

PUBLIC WORKS DEPARTMENT

SoCalGas - Utility Pipeline Project in Huntington Beach

SoCalGas is currently in construction to extend an existing pipeline along Goldenwest St. that will help supply a new feed to the existing community. The construction includes the extension of an existing 8" pipeline from PCH to Garfield.

The City of Huntington Beach Public Work's Construction Group along with Permits and the Traffic Division worked together with the utility company to address the work-zone and restoration work concerns before starting construction. Our HB PW Utility Inspector is providing oversight to ensure SoCalGas follows the approved traffic control plans, minimizing traffic flow interruptions as well as restoration of any concrete, asphalt and striping either damaged or removed performing the work.

Sections of the pipeline installation will include horizontal directional drilling (HDD) underneath the street to reduce the timeline needed for street re-construction. Other portions of the construction (non-HDD) will include open-cut trench excavations along Goldenwest St. during permitted hours.

Construction work will conclude before the busy July 4th weekend to help facilitate city traffic. The forecast completion of all work is scheduled for August 2018.

PUBLIC WORKS DEPARTMENT

FIRE DEPARTMENT

Recruitment will be starting at the end of June 2018 for the Huntington Beach Fire Department Ambulance Operator Program. Top candidates selected from the recruitment will have the opportunity to attend the January 2019 Ambulance Operator Academy.

This Program serves as the staffing for emergency medical transportation as part of the Fire Department's paramedic delivery system. It provides Ambulance Operators with their first fire service job, while they work on preparing themselves for obtaining a career in the fire service. Ambulance Operators are Emergency Medical Technicians, and staff ambulances that provide patient transportation from an emergency medical situation to a local hospital emergency room.

The Huntington Beach Fire Department operates four 24-hour and two 12-hour ambulances. The Department utilizes state-of-the-art emergency transport units that are equipped with advance life support technology for use by the engine company paramedics. The Program's reputation, combined with the experience gained on the job, has resulted in more than 90% of the Ambulance Operators obtaining firefighter careers in agencies across the United States.

Through the services provided by HBFD Firefighters, Paramedics and Ambulance Operators, the community receives excellent paramedic and emergency transportation services. With the right equipment, personnel and transportation, the HBFD can ensure the community has the best emergency medical care available whenever it is needed.

For more information about the Ambulance Operator Program, visit www.huntingtonbeachca.gov/government/departments/fire/general_info/fireDepartmentRecruitmentInformation/ambulance_program.cfm.

To review the qualifications needed to apply, and to submit an interest card that will allow you to be notified when the recruitment opens, go to <https://www.governmentjobs.com/careers/huntingtonbeach/classspecs>, search for "Ambulance Operator" and click on 'Subscribe'.

LIBRARY SERVICES DEPARTMENT

The Oak View Branch has Fun Events for Families

Children and their families are invited to the next **"Family Pajama Storytime"** coming up on **Wednesday, May 30 at 6 p.m.** Join Miss Tammie at the Oak View library for an evening of fun -- including music, songs, finger plays, flannel board stories, and crafts! The theme for the night is **"The Buggy Storytime."** Children (and their parents, too) are invited to wear their pajamas to this popular evening storytime that celebrates families.

Later the next week, just in time for graduation and the end of the school year, learn how to make a candy lei for someone special who will be graduating soon! Come enjoy the festivities at the **"Graduation Candy Lei"** program, to take place on **Thursday, June 7 at 12:30 p.m.** All materials needed to make a beautiful lei will be provided, but attendees are encouraged to bring special items, such as charms or ribbons to add a personalized touch! Registration is required, as space is limited for this sure-to-be popular event.

As the school year winds down, so does the popular **OSTEP (Out-of-School Time Energy Program)**, which continues weekly on **Wednesdays, May 30 and June 6, from 3:30 to 4:30 p.m.** This successful program, which teaches children concepts of environmental accountability and sustainability through hands-on STEM related activities, will continue until June 20.

The **Oak View Branch Library** is located at 17251 Oak Lane in Huntington Beach. For more information on these programs or to **register for the Candy Lei event**, please call **714 375-5068**.

Fishing Hole Derby Success

The annual Ol' Fishing' Hole Fishing Derby was held on Friday, May 18, at Chris Carr Park. 168 students from local elementary schools enjoyed a beautiful day of fishing around the lake with their peers.

The biggest fish of the day came in weighing 2.9 pounds! After a morning of fishing, students were treated to a lunch provided by the generous volunteers of the Kiwanis Club of Huntington Beach. Several other community partners contributed to making this year's event a success – a special thank you to the California Department of Fish and Wildlife, the Huntington Beach Fishing and Recreation Club, and HB Police Department for all of your efforts in making this a memorable morning for local students.

Building Division Activity Summary Monthly Report – April 2018

Total construction valuation for FY 17/18 (October 2017-April 2018) was \$78,801,278, which is 52% lower than last year at this time, which was \$158,398,446. For the month of April construction activity for both commercial alterations/additions and miscellaneous permits (façade remodels, block walls, reroofs) outpaced all other sectors. Permits issued to Peters Landing Marina for a \$5,570,000 façade remodel and to McKenna Auto Dealership for a 4,079 sf addition contributed to this sector. Permits issued are up 10% and inspections completed are up 8% compared to the same time last year. In conclusion, we are experiencing a larger amount of building activity on smaller scale projects.

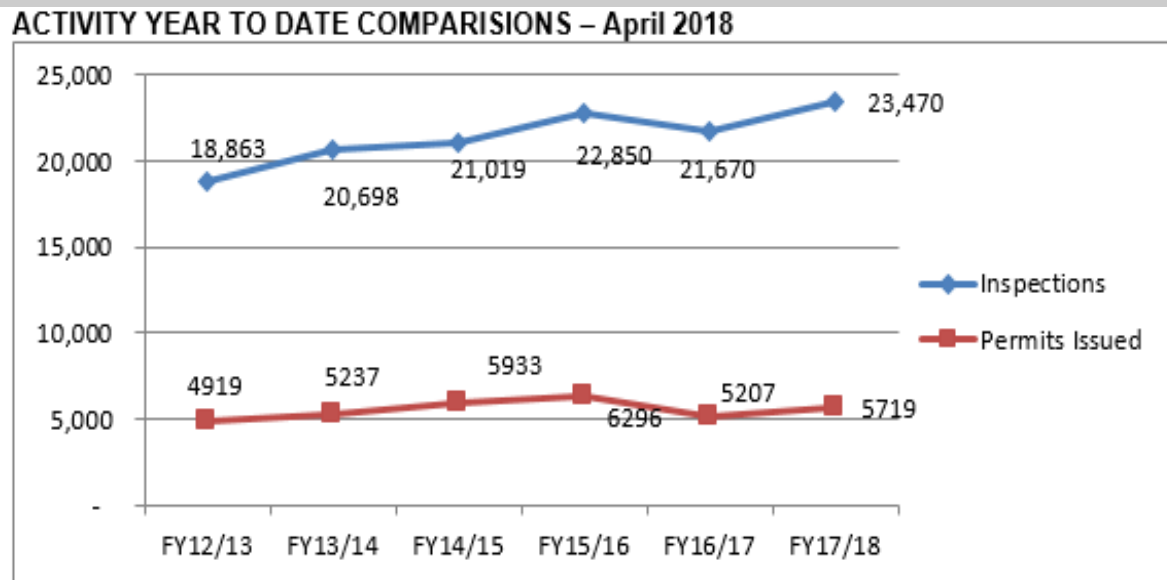

BUILDING DIVISION ACTIVITY SUMMARY MONTHLY REPORT – April 2018

CITY CLERK'S OFFICE

The City Clerk's Office, in partnership with the departments of Community Development and Information Services is excited to announce the deployment of Legistar, the City's new agenda management system by Granicus. Granicus is the industry leader in cloud-based solutions for communications, meeting and agenda management, and digital services for more than 4,000 public sector organizations.

The Legistar application automates agenda creation and meeting execution with tools to streamline minutes, voting, full reporting and publishing to a citizen-facing web portal for boosted transparency. From drafting files, through assignment to various departments, to final approval, Legistar reduces workloads and creates a more efficient method for managing decisions.

Internal resource materials on the Legistar product are available for City staff on SurfNet under the Policies tab -- select Agenda (Legistar).

POLICE DEPARTMENT

"Operation Surf" Returns June 3 through 9

We are so excited to once again be a part of Operation Surf Huntington Beach, which will be held this year from June 3-9! We will be providing a motorcade for the veterans participating in this event that are flying in this Sunday to begin their week-long program. Huntington Beach PD is a strong supporter of this event, and many of our employees take time off to volunteer and spend time helping the participants heal.

According to their website, Operation Surf is held in support of the men and women who have sacrificed so much to protect our freedom. Wounded active-duty and veteran service members will take part in a life-changing experience at our local beaches. For many participants, the trip to Operation Surf is their first time leaving the hospital since being injured in Iraq or Afghanistan, making this unique and highly effective healing tool an invaluable part of their early recovery.

At previous Operation Surf Huntington Beach events, the wounded heroes have been astounded at the outpouring of love and appreciation from the Huntington Beach community and its many volunteers. Several opportunities exist for community involvement. If you are interested in being involved, click on this link: <http://amazingsurfadventures.org/events/operation-surf-huntington-beach/>.

And make sure to watch for us this Sunday, June 3, between 12:30 and 1 p.m. (times may vary due to arrival times at the airport) to show your patriotic Huntington Beach spirit and let these veterans know how much we respect and honor them by lining Main Street and welcoming them to our beautiful hometown!

EVENTS

33rd Annual Huntington Beach Concours d'Elegance Happening this Weekend!

The HB Concours will again stage a two-day event scheduled for this weekend: Saturday, June 2 and Sunday, June 3. This year we celebrate our 33rd anniversary!! The weekend will feature a Rod & Custom Show with a salute to Donut Derelicts on Saturday, June 2. The Concours event on Sunday, June 3, features a wide variety of Domestic and Imported marques for cars and motorcycles, with special salutes to Corvettes, Chevrolet Trucks, and BMW automobiles along with Triumph motorcycles. Dave Kunz, KABC-TV's Automotive Specialist, will return as this year's Grand Marshall.

The Huntington Beach Concours has not only given automotive enthusiasts of all types another opportunity to view their favorite cars and motorcycles, it has been a constant fund raiser for the Children's Resource Center wing at the Huntington Beach Public Library. The Huntington Beach Concours d'Elegance, with all non-paid volunteers has, since its founding in 1985, raised over \$900,000 in support of the infrastructure of the library, which includes learning services, computers, books and other miscellaneous items in support of all children whether normal, gifted, or physically challenged.

The Children's Resource Center is ranked as one of the top children's libraries in the State of California. Proceeds from our Concours events support a constantly expanding and upgraded book, periodical, and resource collection, as well as children's theater, study labs and specially trained staff to help children

This family event will present for your enjoyment, Aprile Deanne Entertainment, Vocalist/DJ on Saturday and Sunday. Also on both Saturday and Sunday there will be good food, interesting vendors, and for the kids: free ice cream, face painting, balloon art, and balloons!!!
