

CITY OF HUNTINGTON BEACH

CELEBRATING

100

YEARS OF SURFING

END OF YEAR ACCOMPLISHMENTS

2013-2014

SURF CITY USA

WELCOME

Dear Community:

On behalf of the City of Huntington Beach, I am pleased to present the annual year-end accomplishment report for Fiscal Year 2013-14. The report provides an opportunity to reflect our success and the ground work we have laid for a bright future.

We are proud of many accomplishments this year, most notably the ground breaking of the long-awaited Senior Center in Central Park, the grand opening of Vans Skate Park, the Community-led Surfboards on Parade event, the 100 Years of Surfing celebration, and the 100 Year Commemorative ceremony of the iconic Huntington Beach Pier. Additionally, we worked very hard to get several exciting projects set in motion for 2015 and 2016, such as: The Pacific City retail project and the oceanfront Pasea Hotel.

The following City Council goals, as updated at their 2014 Strategic Planning Session, assist the City in paving the way for continued success:

- Improve the City's infrastructure
- Enhance economic development
- Improve long-term financial sustainability
- Develop, retain, and attract quality staff
- Enhance and maintain public safety
- Enhance quality of life

It is clear from the sampling of accomplishments presented in this report that the City of Huntington Beach has emerged from one of the most economically challenged eras this country has experienced into a healthy and prosperous community. Although the economic forecast remains uncertain, with sustainable fiscal policies, community involvement, effective partnerships, and a focused strategy we can achieve the future we envision. We look forward to a new year with new opportunities and a continued commitment to excellence.

Respectfully,
