Adventure Descriptions

Bluff Top Bike Cruise

What better way to enjoy a nice summer day than by grabbing your bike, family, and friends, and enjoying a slow and steady cruise down the newly renovated Bluff Top Bike Path? Starting at 9th Street, enjoy a two-mile cruise beachside and see how long it takes you to get to Seapoint Street. Take it slow, stop and take a selfie, and enjoy the view. Then post your selfie and time to social media using the hashtag **#ADVENTUREHB!**

Childhood Classics: From Page to Screen

See some of your favorite classic book characters brought to life on the big screen! Throughout the summer, the Huntington Beach Art Center galleries will feature “*Childhood Classics: 100 Years of Children’s Book Illustration*”, a dazzling collection of artworks from your favorite children’s books. The exhibition will be accompanied by a free family movie series on select Saturday afternoons. By combining current film adaptations with original illustrations, audiences will be able to experience beloved literary classics such as *Peter Rabbit*, *Stuart Little*, and *Charlotte’s Web* in a brand-new light. Space is limited; reservations will be available beginning July 1 at huntingtonbeachartcenter.org.

Swim & Story

Join us for Swim and Storytime at the City Gym & Pool! Listen to a story selected by our librarians, meet the pool lifeguards, and join us for a swim in the pool!

Drum Yourself Healthy

Group drumming is proven to decrease stress and increase health. Experience the rhythm of our community. No pre-registration required, FREE! For more information, please call 714.536.5600. Group meets monthly from 12:30–1:30pm (2022 Dates: June 7, July 12, August 9, September 13, October 11, November 8, and December 13).
