### **Re: Neighborhood Park Reservation Policy**

Neighborhood parks are designed to serve the immediate community and are designed for drop in or first come-first serve uses and activities by the general public.

The City is seeking to assure that all neighborhood parks are open and available to the general public. To that end, neighborhood parks are NOT available for reservation. Any requests for special permits that include vending, advertizing, or any activity that limits general access to any areas of a neighborhood park will NOT be approved. This way, these parks will be kept open and available for the intended purpose of serving the surrounding neighborhoods for non-exclusive uses.

As an alternative, the City has community parks such as Murdy Park, Edison Park, and Central Park that are designed for larger events and would allow for some of the activities that are limited in neighborhood parks. Information on these parks can be acquired by calling the Community Services Department at 714-536-5486 or available on line at

[http://huntingtonbeachca.gov/residents/parks\\_facilities/parks/index.cfm?csparks=csparks](http://huntingtonbeachca.gov/residents/parks_facilities/parks/index.cfm?csparks=csparks).

Sincerely,

Janeen Laudenback  
Director of Community Services
