CHRISTIAN CHURCH CHORUS CONCERT BIG SUCCESS.

One of the best amateur concerts given in this city for many years was held at the Tent City Auditorium Wednesday evening, under the auspices of the Christian church.

The highly successful affair was under the personal direction of Miss Lina Wodger, musical instructor at the Huntington Beach Union High school, and the entertainment reflected the enthusiasm of the students upon Miss Wodger's ability along musical lines. Fred Galli- use had charge of the advertising and the program is said to be sold out for a long time.

The concert was given at Westminster, Tuesday evening, and will be given at Newport this (Friday) evening. This is one feature of the concert that is worthy of special mention and that is that these prominent women's choruses have been brought to this city, and the highest and most successful terminations of the event establish the reputation that has been fo- tilled at this innocent conception of figures.

The stage was simply decorated with sticks, ribbons, and flowers. A large and appreciative audience was present and applauded the performers in a hearty and rousing manner. The first number on the program was a chorale by the choir of the church on the following:

"The Lord is my light and my salvation." It was well done and received enthusiastic applause. The choir appeared on stage with Miss Wodger leading, and pre- not in earnest. He was accompanied by the pianist, Miss Amy Holmes.

The choir was then called "Huntington Beach," and the program was continued with great success. The choir continued until the final number, "The Lord is my light and my salvation," when the audience was highly enthusiastic, and the choir received a rousing applause.

Good talent was displayed and the concert was well received by those present.
