First and foremost, we in the Community Services Department hope that this issue of the SANDS finds you and yours safe and well. With summer approaching, the Community Services Department has been busy working to prepare for our community to experience the outdoors once again! There are still so many uncertainties at this time due to the COVID-19 pandemic, and we don’t yet know which programs we will be able to offer, nor how those programs will be modified to ensure health and safety for the community. That said, we know and appreciate that the SANDS is a staple in so many households, and would feel remiss without getting it into your mailbox, especially for the summer session. Our goal is to present to you a list of programs and activities via this abridged version of the SANDS, while listing a full version online that can be readily revised as we adapt to changing guidance amidst the COVID-19 situation. Visit huntingtonbeachca.gov/summersands for more information.

Aside from programming, there’s so much going on in Huntington Beach, and we are pleased to share with you some of the amazing park and facility upgrades to expect in the coming year!

This summer edition cover features some of our first responders, other City team members, and community partners who are serving so courageously. To name a few efforts: the City established a new website (hbready.com) and a full time call center to provide information and referrals; conducted digital library programs for children at home; Public Safety team members lifted spirits with “drive-by” birthday wishes; worked with community partners to distribute an average of 4,000 meals per week to older adults; conducted over 1,250 digital inspections; and the list goes on! A big thanks to all who kept essential services moving despite the challenges of the COVID-19 pandemic. These efforts and continued community collaboration will get us all back to experiencing how Parks Make Life Better!, and more importantly, thriving together as OneHB.

Our Core Purpose:
We exist to serve exceptionally, inspiring pride in our Huntington Beach community.

Department Mission Statement:
The City of Huntington Beach Community Services Department provides outstanding programs, services and facilities to enhance and enrich the lives of our residents and visitors.

Summer registration begins June 9 at 9 a.m.
Register at hbsands.org. Classes scheduled to begin June 22.

The Community Services Department is committed to serving exceptionally. That’s why we’re happy to share a few of the amazing park improvement projects happening in Huntington Beach! Over the next couple years, the City will be working on improving parks and amenities to bring you safe and beautiful places to enjoy the outdoors and recreation programming. For the most up-to-date information regarding these exciting upgrades, please visit huntingtonbeachca.gov/parkdevelopment.

HUNTINGTON BEACH CENTRAL PARK

Huntington Beach Central Park is in the process of receiving restroom upgrades. The existing buildings at Central Park are over forty years old, and new construction and design improvement are addressing efficiency and public safety. Replacement of three of the restrooms facilities located near Slater Avenue parking lot, Huntington Central Dog Park, and the Park Bench Café is complete. The three remaining restrooms are expected to be renovated near the end of this year.

EADER PARK

Located next to Banning Library, Eader Park is a neighborhood park that was originally developed on November 10, 1970. In March 2020, Eader Park received a new playground with all-inclusive amenities including musical-themed play equipment, and other adventurous elements.
Murdy Park was dedicated on September 15, 1971, and is the home of the very first community center built in Huntington Beach. Approaching its 50th anniversary since opening, the park and community center have received some exciting updates! The reconfiguration of the exterior park includes the addition of walkways and pedestrian lighting for accessibility, a lighted sports practice field, four brand new bocce ball courts, and a repaved parking lot.

The Murdy Community Center interior project remodeled the lobby entrance, service windows, multi-purpose rooms, kitchen, and interior restroom facilities, and increased energy efficiency, accessibility and visitor access flow. Murdy Community Center continues to enhance quality of life through a variety of activities, events, and classes. Murdy will be available to the community for field and room reservations.

IN THE WORKS

» The BLUFF TOP PARK path and guardrail project,
» The improvement of the LAKE PARK CLUB HOUSE restrooms and picnic area, and
» The final phase of the BARTLETT PARK TRAIL improvement project.
HB Surf Contest
The 50th Annual Huntington Beach City Surf contest, sponsored by the City of Huntington Beach Community Service Department, Huntington Surf and Sport, and Dukes will be held on October 10 and 11. Participation will be limited to persons residing in the Huntington Beach Union High School District. Winners of each division will receive awards. Driver’s license or school ID with proof of age (birth certificate) must be presented before competing. Ages are as of contest date. Each participant will receive a contest T-shirt. Participation limited to first 175 registrants. Registration starts July 5. Thursday, September 17, is the last day to sign up (unless 175 is reached before that date).

The City of Huntington Beach is pleased to offer a complete summer swim program. Our program is designed to meet a variety of swimming needs. Whether it is learning new swimming techniques, or recreational enjoyment of the water, we have something for everybody.

Our swim instructors are certified American Red Cross Water Safety Instructors and lifeguards. The swim courses follow the American Red Cross standards. Classes are offered to age six months through adult and teach skills from water adjustment through lifeguarding techniques. Classes consist of ten lessons unless otherwise specified.

Swim Levels

Parent and Child (PC) 6 mos to about 3 years:
Parents and children learn together through two fun-filled levels to increase children’s comfort in the water and build a foundation of basic aquatic and water safety skills.
- PC Level 1 (PC1): Introduces Basic skills including safety topics to parents and children.
- PC Level 2 (PC2): Builds on the skills introduced in Level 1, with participants improving these skills and learning more advanced skills.

Preschool Aquatics (PA) About 4 to 5 years:
Three fun, age-appropriate levels teach basic aquatic safety and survival skills to increase children’s comfort level in and around the water.
- PA Level 1 (PA1): Orient children to the aquatic environment and helps them gain basic aquatics skills.
- PA Level 2 (PA2): Helps children gain greater independence in their skills and develop more comfort in and around water.
- PA Level 3 (PA3): Helps children start to gain basic swimming propulsive skills to be comfortable in and around water.

Learn-to-Swim (LS) About 6 to 17 years old.
Six progressive levels help swimmers of varying ages and abilities develop their water safety, survival and swim skills.
- Level 1 (LS1): Introduction to Water Skills: Ages 6 and up. Builds confidence and develops safety skills in and around water for children with little or no prior swim instruction.
- Level 2 (LS2): Fundamental Aquatic Skills: Ages 6 and up. Students are introduced to the front and back crawl.
- Level 3 (LS3): Stroke Development: Must hold level 2 certificate or be able to perform at the equivalent skill level. Students refine the front and back crawl and are introduced to the butterfly-kick.
- Level 4 (LS4): Stroke Improvement: Must hold level 3 certificate or be able to perform at the equivalent skill level. Students will be introduced to the breast stroke, elementary backstroke and butterfly.
- Level 5 (LS 5): Stroke Refinement: Must hold level 4 certificate or be able to perform at the equivalent skill level. Students refine their performance of all the strokes and increase their distance. Students will be introduced to sidestroke.
- Level 6 (LS 6): Skill Proficiency: Must hold level 5 certificate or be able to perform at the equivalent skill level. Students will improve performance in all strokes and will learn competitive techniques.
- Exceptional Swim: Designed for participants with any disability. This is a supervised non-instruction swim time.
- Adult Lessons: Adults will improve swimming skills and learn new skills.
