

First and foremost, we in the Community Services Department hope that this issue of the SANDS finds you and yours safe and well. With summer approaching, the Community Services Department has been busy working to prepare for our community to experience the outdoors once again! There are still so many uncertainties at this time due to the COVID-19 pandemic, and we don't yet know which programs we will be able to offer, nor how those programs will be modified to ensure health and safety for the community. That said, we know and appreciate that the SANDS is a staple in so many households, and would feel remiss without getting it into your mailbox, especially for the summer session. Our goal is to present to you a list of programs and activities via this abridged version of the SANDS, while listing a full version online that can be readily revised as we adapt to changing guidance amidst the COVID-19 situation. Visit huntingtonbeachca.gov/summersands for more information.

Aside from programming, there's so much going on in Huntington Beach, and we are pleased to share with you some of the amazing park and facility upgrades to expect in the coming year!

This summer edition cover features some of our first responders, other City team members, and community partners who are serving so courageously. To name a few efforts: the City established a new website (hbreadly.com) and a full time call center to provide information and referrals; conducted digital library programs for children at home; Public Safety team members lifted spirits with "drive-by" birthday wishes; worked with community partners to distribute an average of 4,000 meals per week to older adults; conducted over 1,250 digital inspections; and the list goes on! A big thanks to all who kept essential services moving despite the challenges of the COVID-19 pandemic. These efforts and continued community collaboration will get us all back to experiencing how **Parks Make Life Better!**, and more importantly, thriving together as **OneHB**.

DEVELOPING COMMUNITY

The Community Services Department is committed to serving exceptionally. That's why we're happy to share a few of the amazing park improvement projects happening in Huntington Beach! Over the next couple years, the City will be working on improving parks and amenities to bring you safe and beautiful places to enjoy the outdoors and recreation programming. For the most up-to-date information regarding these exciting upgrades, please visit huntingtonbeachca.gov/parkdevelopment.

HUNTINGTON BEACH CENTRAL PARK

Huntington Beach Central Park is in the process of receiving restroom upgrades. The existing buildings at Central Park are over forty years old, and new construction and design improvement are addressing efficiency and public safety. Replacement of three of the restrooms facilities located near Slater Avenue parking lot, Huntington Central Dog Park, and the Park Bench Café is complete. The three remaining restrooms are expected to be renovated near the end of this year.

EADER PARK

Located next to Banning Library, Eader Park is a neighborhood park that was originally developed on November 10, 1970. In March 2020, Eader Park received a new playground with all-inclusive amenities including musical-themed play equipment, and other adventurous elements.

*Architect rendering, subject to change.

Murdy Park was dedicated on September 15, 1971, and is the home of the very first community center built in Huntington Beach. Approaching its 50th anniversary since opening, the park and community center have received some exciting updates! The reconfiguration of the exterior park includes the addition of walkways and pedestrian lighting for accessibility, a lighted sports practice field, four brand new bocce ball courts, and a repaved parking lot.

The **Murdy Community Center** interior project remodeled the lobby entrance, service windows, multi-purpose rooms, kitchen, and interior restroom facilities, and increased energy efficiency, accessibility and visitor access flow. Murdy Community Center continues to enhance quality of life through a variety of activities, events, and classes. Murdy will be available to the community for field and room reservations.

IN THE WORKS

- » The **BLUFF TOP PARK** path and guardrail project,
- » The improvement of the **LAKE PARK CLUB HOUSE** restrooms and picnic area, and
- » The final phase of the **BARTLETT PARK TRAIL** improvement project.
