DETAILS: On 11-19-09 at approximately 4:13 pm Huntington Beach Police and Fire Departments were dispatched to Edinger and Gothard streets in Huntington Beach on a call of an injury collision. Upon arrival officers spoke to witnesses at the scene and conducted an initial investigation. Based on the information gathered at the collision site, investigators determined the following; Driver-1, Soto, was driving a 2007 International Semi-tractor/trailer, traveling east on Edinger in the number 3 lane of traffic stopped at Gothard Street for a red signal. Driver-2, Albert, was riding a 10 speed bicycle in the eastbound bike lane approaching Gothard Street.

The eastbound signal phased to green and Soto initiated a right turn onto Gothard. Albert continued to travel east in the bike lane colliding into the Semi-tractor/trailer.

Albert was transported to UCI. She is listed in stable condition.

The cause of the collision is under investigation. HBPD is requesting any persons who may have seen the collision to contact Investigator Barr of the Huntington Beach Police Department, Traffic Bureau, at 714-536-5666.
