Type of Incident: Sobriety Checkpoint

Location: City of Huntington Beach

Date/Time of Occurrence: March 12, 2011 at 9:00 pm

Details:

In our ongoing effort to keep the streets safe, the Huntington Beach Police Department will be conducting a DUI checkpoint on Saturday night, March 12th, 2011 at 9:00 pm.

The goal of the Huntington Beach Police Department is to prevent the number of serious injury and fatal collisions. The sobriety checkpoint allows officers to intervene by arresting DUI drivers, prior to them becoming involved in an accident. Impaired driving puts everyone on the road in danger, and we are doing everything we can to ensure that motorists have a safe place to live and drive.

Funding for this program was provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration. The Huntington Beach Police Department is working in partnership with OTS to educate the community on traffic safety issues, as well as helping to prevent DUI related traffic incidents.
