Huntington Beach Police Department

From the preliminary investigation, it appears that the vehicle was eastbound on Heil when it collided with the pedestrian, who was walking northbound across the roadway.

The injured pedestrian was transported to UCI Medical Center in Orange, where he is being treated for his injuries. The driver of the vehicle was not injured. The collision does not initially appear to be alcohol related and no charges have been filed at this time.

The accident is still under investigation. Anyone who may have witnessed the collision is asked to contact the Traffic Division of the Huntington Beach Police Department at (714) 536-5666.

Press Release prepared by Sgt. Chris Filicichia
